EXHIBITOR COMMENTS BOAT & FUN INWATER 2023

“ The conversations with the customers here on site were great: they don't just come to look, but have informed themselves in advance, were amazingly well prepared and know what they want. That's what makes BOAT & FUN INWATER so special.

Marcus Börner, Relax Hauptstadtschiff

“ BOAT & FUN INWATER has become one of the most important trade fairs for us. The boats can be viewed here from all sides and, as they are in the water, you can also test drive them extensively. Over the last five years, we have only seen the trade fair grow.

Randy Schirmeister, Marina Zernsee

“ The response from the audience was very good. And the organisation on site also ran smoothly. We are very satisfied with the result.

Olaf Tinnemann, WAYDOO e-foils (Media-Concepts GmbH)

“ We had more enquiries on our boat this weekend than last year. So, for us: The trend is rising!

Björn Thomas, LuxBoot

“ We had a lot of visitors who either bought something directly or contacted us afterwards.
